Only an Israeli embassy or consulate can issue this visa, and MTA is not involved in this process.

Recommendations:

You should start the process at least six weeks prior to your departure for Israel. Processing times and procedures vary from embassy/consulate to embassy/consulate. Please contact your nearest Israeli embassy or consulate to get information on how to apply for a visa and what visa application documents you will need to submit.

In most cases, an acceptance letter to the program is the only documentation that you will need from MTA. If the Israeli embassy or consulate requires further documentation from MTA, please be in touch with the Program Coordinator, Mrs. Deena Mesika at international@mta.ac.il

STUDENT UNION & BUDDY PROGRAM

The Student Union at MTA has many functions at the college including student advocacy, organizing activities, and offering student services.
