# Federal Institute of Ceará - IFCE

The **Federal Institute of Education, Science, and Technology of Ceará (IFCE)**, whose Rectory is located in Fortaleza, is an institution created under the terms of Act No. 11.892 from December 29th, 2008, through the integration of the Federal Technological Education Center of Ceará with the Federal Agrotechnical Schools of Crato and Iguatu, under the Ministry of Education, as a legal entity with administrative, patrimonial, financial, didactic-pedagogical, and disciplinary autonomy.

Concerning the effects of the provisions that govern the regulation, evaluation, and supervision of the own institution and its higher education programs, IFCE is equivalent to the federal universities in Brazil.
